**Principal’s Report**

**End of Term 3**

What a term we have had at Maroubra Junction. Fabulous inclusive and extremely high standard events such as the Art Show, Wakakirri dance, Big Band Bash, P&C Trivia Night, Education Week, Father’s Day activities, Kindergarten Zoo excursion, Stage 1 Botanic gardens, Stage 3 leadership course just to name a few. A big thanks to our fantastic staff for their organisation of these key events, our great parents for their support (in particular our wonderful P&C parents) and to our beautiful students who make all the work worthwhile.

On behalf of Catherine Pierce and myself, we wish all our students and their families a wonderful and relaxing break. Take the time to make some memories with your children. On a personal note, I will be taking my family camping on Fraser Island, one of the most beautiful parts of Australia (and no wifi). See you in all in two weeks.

We look forward to seeing all our students back safe and sound on Tuesday 6 October.

**Community Partnership Grant**

The P&C, on behalf of the school have applied for a Community Grant through Michael Daley’s office, to assist in financing the remediation and installation of artificial turf on the corner of Storey St and Anzac Parade. The anticipated cost of our project is $80,000.

Tell all of your friends and family. Voting closes 1st October 2015. All students today received an information page and a voting slip. Please vote for our project. Our children need for this land to be remediated. It will substantially increase our usable space and create a happier and safer environment.

**Amazing Me workshop**

Last Tuesday night we hosted an evening for parents and students in a discussion and workshop about the human body. Almost 100 students from Years 3 to 6 attended the sessions, and the feedback was extremely positive from many parents and students. Thanks to Miss Noble and Mrs Roberts for their organization and their attendance on the night.

**Student Fees**

Last week in the newsletter I highlighted the outstanding amounts in the student accounts amounting to over $17,000. In the last few days we have been inundated with parents wishing to finalise their accounts for term three. As a result, almost $7,000 has come over the counter in student fees. A huge thank you to our community, we certainly appreciate the effort. Those still wishing to finalise their statement should contact the school office.

Paperless Day
MJPS participated in a Paperless Day yesterday as a sustainable living initiative. All classes and admin teams tried to limit the amount of paper they used for the day.

Last week Year 3 students had a visit from a student who attends Coogee PS to present his speech which was all about the importance of cutting down paper use. This inspired our students to be actively involved in using less paper.

The results for the Paperless Day are listed below along with some of the paperless strategies that classes used.

- Strategies used: Ipads, recycling, electronic whiteboards & reading
- Congratulations to 4Y the winning class. They managed to use Google Classroom for the whole day!

Well done to our fantastic Enviro Club led by our stage 3 student leaders- Kelly Ann K, Aisyah S, Nabiha K, Mawie A, Raneem and Joey. Thank you also to their parent mentor Sophie D, Miss Bambridge and Mrs Cummins for all their hard work in supporting the team.

Year 5 Mighty Mates
The Year 5 Mighty Mates have been doing a fantastic job over the last few weeks supporting our students and teachers out on the playground. They have been engaged in leadership skills through role modelling behaviours and conflict resolution strategies. Well done Mighty Mates.

Have a happy and safe holiday everyone!

Core Value Corner
We ask parents to support our schools core value code by regularly checking the weekly core value corner in school newsletters and discussing the focus expectations with your child/children. This week's Expectation of the Week is BE A RESPONSIBLE CYBER CITIZEN and it comes under the Core Value of SAFETY. This is a great one for the end of term and it also ties in with Child Protection Week.

There is a Cyber Safety session being held at Eastgardens this week. Please refer to the flyer featured later in this newsletter for more details.

Define with your child/children what it means to be a Cyber Citizen and what it means to be Cyber Safe. Some ideas include: the safe and responsible use of Information and Communication Technologies (ICT) and encouraging the public (and students) to identify the risks associated with ICT. Some topics you might like to address (depending on age) could include: Digital Citizenship, Cyber Bullying, Safety on the Internet, Protecting Passwords and Personal Information, Social Media Apps and Cyber Crime.

Gymnastics Term 4

Next term Years 3 to 6 will begin their gymnastics program. Each class will have a gymnastics lesson on Monday’s and Tuesday’s for the eight week program. The $40 cost of the program will be included on each student’s term statement. We strongly encourage all students to attend this gymnastics program as we had very positive feedback from the K-2 program in term two. Students need to pay their gymnastics fee before the end of Week 2 to continue their participation.

Sports Stars

Bowlin’ Theo

Congratulations to Theofanis B. (6W) for competing at the Sydney East PSSA Cricket Championships last week. Theofanis faced some of the best bowlers and batsman that Sydney has to offer and should be very proud of his efforts. Well done!

Get in the hole!

Daley L. (6W) competed at the NSW PSSA Golf Championships earlier this week. Daley scored an impressive 1 over par in his first round. The Sydney East Team came 2nd overall in the championships. The tournament showcased the best young golfers from all over the state. Well done, Daley!

Regional Athletics

Congratulations to all our athletes who competed at the Regional Athletics Carnival last week.

**Our best results were as follows:**

- Senior Girls Relay (1st in the heat, 8th in the final)
- Senior Boys Relay (9th fastest time)
- Ethan F. 5th long jump
- Laura F. 5th 200m

We would also like to wish Bella F. a speedy recovery after receiving a nasty injury during her 800m. It was great to hear that other MJPS students out at the carnival were really supportive to Bella in that time of need. A big thank you to Pam K., travelling to Homebush as a reserve runner for the relay, who ended up filling in for Bella in the relay team.
The children in 1B have been very busy during Term 3

We made musical shakers!

We made string phones!

HAVE YOUR SAY!
Help Michael Daley support our community

As your local MP, Michael has worked passionately to make our community an even better place to live, work and raise a family. He is proud to have delivered millions of dollars in funding to support projects across our local area.

This year, Michael is investing $200,000 in local projects through the NSW 2015 Community Building Partnership program.

This will help local groups improve their buildings, facilities and services as well as support local jobs. This year, twenty three local community groups have applied.

*Have your say about how this $200,000 should be spent by filling out the voting form over the page.*
