Student Leadership Policy
Maroubra Junction Public School

RATIONALE

Providing students with authentic leadership opportunities is an important part of their development. It allows students to develop confidence, personal strength, commitment, initiative and responsibility.

At Maroubra Junction Public School, we recognise that every student has the capacity to lead an activity at some point. There can be many kinds of student leaders, both formal and informal, and that the kind of leadership skills they have will be demonstrated and developed in many situations relating to individual interests, talents and strengths.

The school aims to develop leadership skills within all students through activities which allow them to practise communication, cooperation, problem solving, time management, self-reliance and teamwork.

Aims:

- develop student leadership capacity in a supportive school environment
- provide a mechanism for students to assist in strengthening the school and its community, and to serve as inspiration to other students to do their best
- offer the opportunity for development of personal strength, commitment, leadership, initiative and responsibility, by providing a range of leadership opportunities tailored to different personality types, ages and needs.

Formal Student Leadership Positions

The school offers formal leadership positions for students in Year 6. A girl and boy are elected for the following positions: School Captain, Vice Captain, Prefects, House Captain or House Vice Captain. The election processes for these positions are outlined below.

Guidelines:

- Students may only hold one leadership position at a time
- Each leadership position will be made available for equal numbers of boys and girls, unless there are no students of a particular gender wishing to apply for the position or there is a gender imbalance
- Student will not be eligible for a leadership position if, at the time of selection, they are on a Behaviour Action Plan
- The responsibilities and opportunities attached to each leadership role will be made clear to students before voting occurs

At Maroubra Junction Public School, we recognise that every student has the capacity to lead an activity at some point.
Students will be expected to follow the Student Leaders’ Code of Conduct

Student Leaders who are not upholding the Student Leaders’ Code of Conduct will receive consequences consistent with the school’s Student Behaviour Plan. Students breaking the core value code will be counselled about the implications of their leadership position by the Principal. Students who are on a Behaviour Action Plan will lose their position for the period of the contract.

Principal to use discretion in exceptional circumstances.
